

Our address:

**Im Mediapark 8a
50670 Köln**

You can reach the underground car park via 2 entrances. These are well visible, but here a little support:

There is a public parking garage in the underpass. Here you have to follow the signs to "PZ".

Then use the stairs to the large forecourt Mediapark upwards, orientate yourself at the staircase near the Kölnturm or house 8.

Once you have reached the forecourt, building 8a is located to the right of the large Kölnturm, if you have the lake "in your back".

Our office is located in the rear building, i.e. in the direction of the park on the 5th floor, and is also easy to find thanks to several "epilot" signs.
